AN ARCHIDPLY DÉCOR RETAIL DIVISION

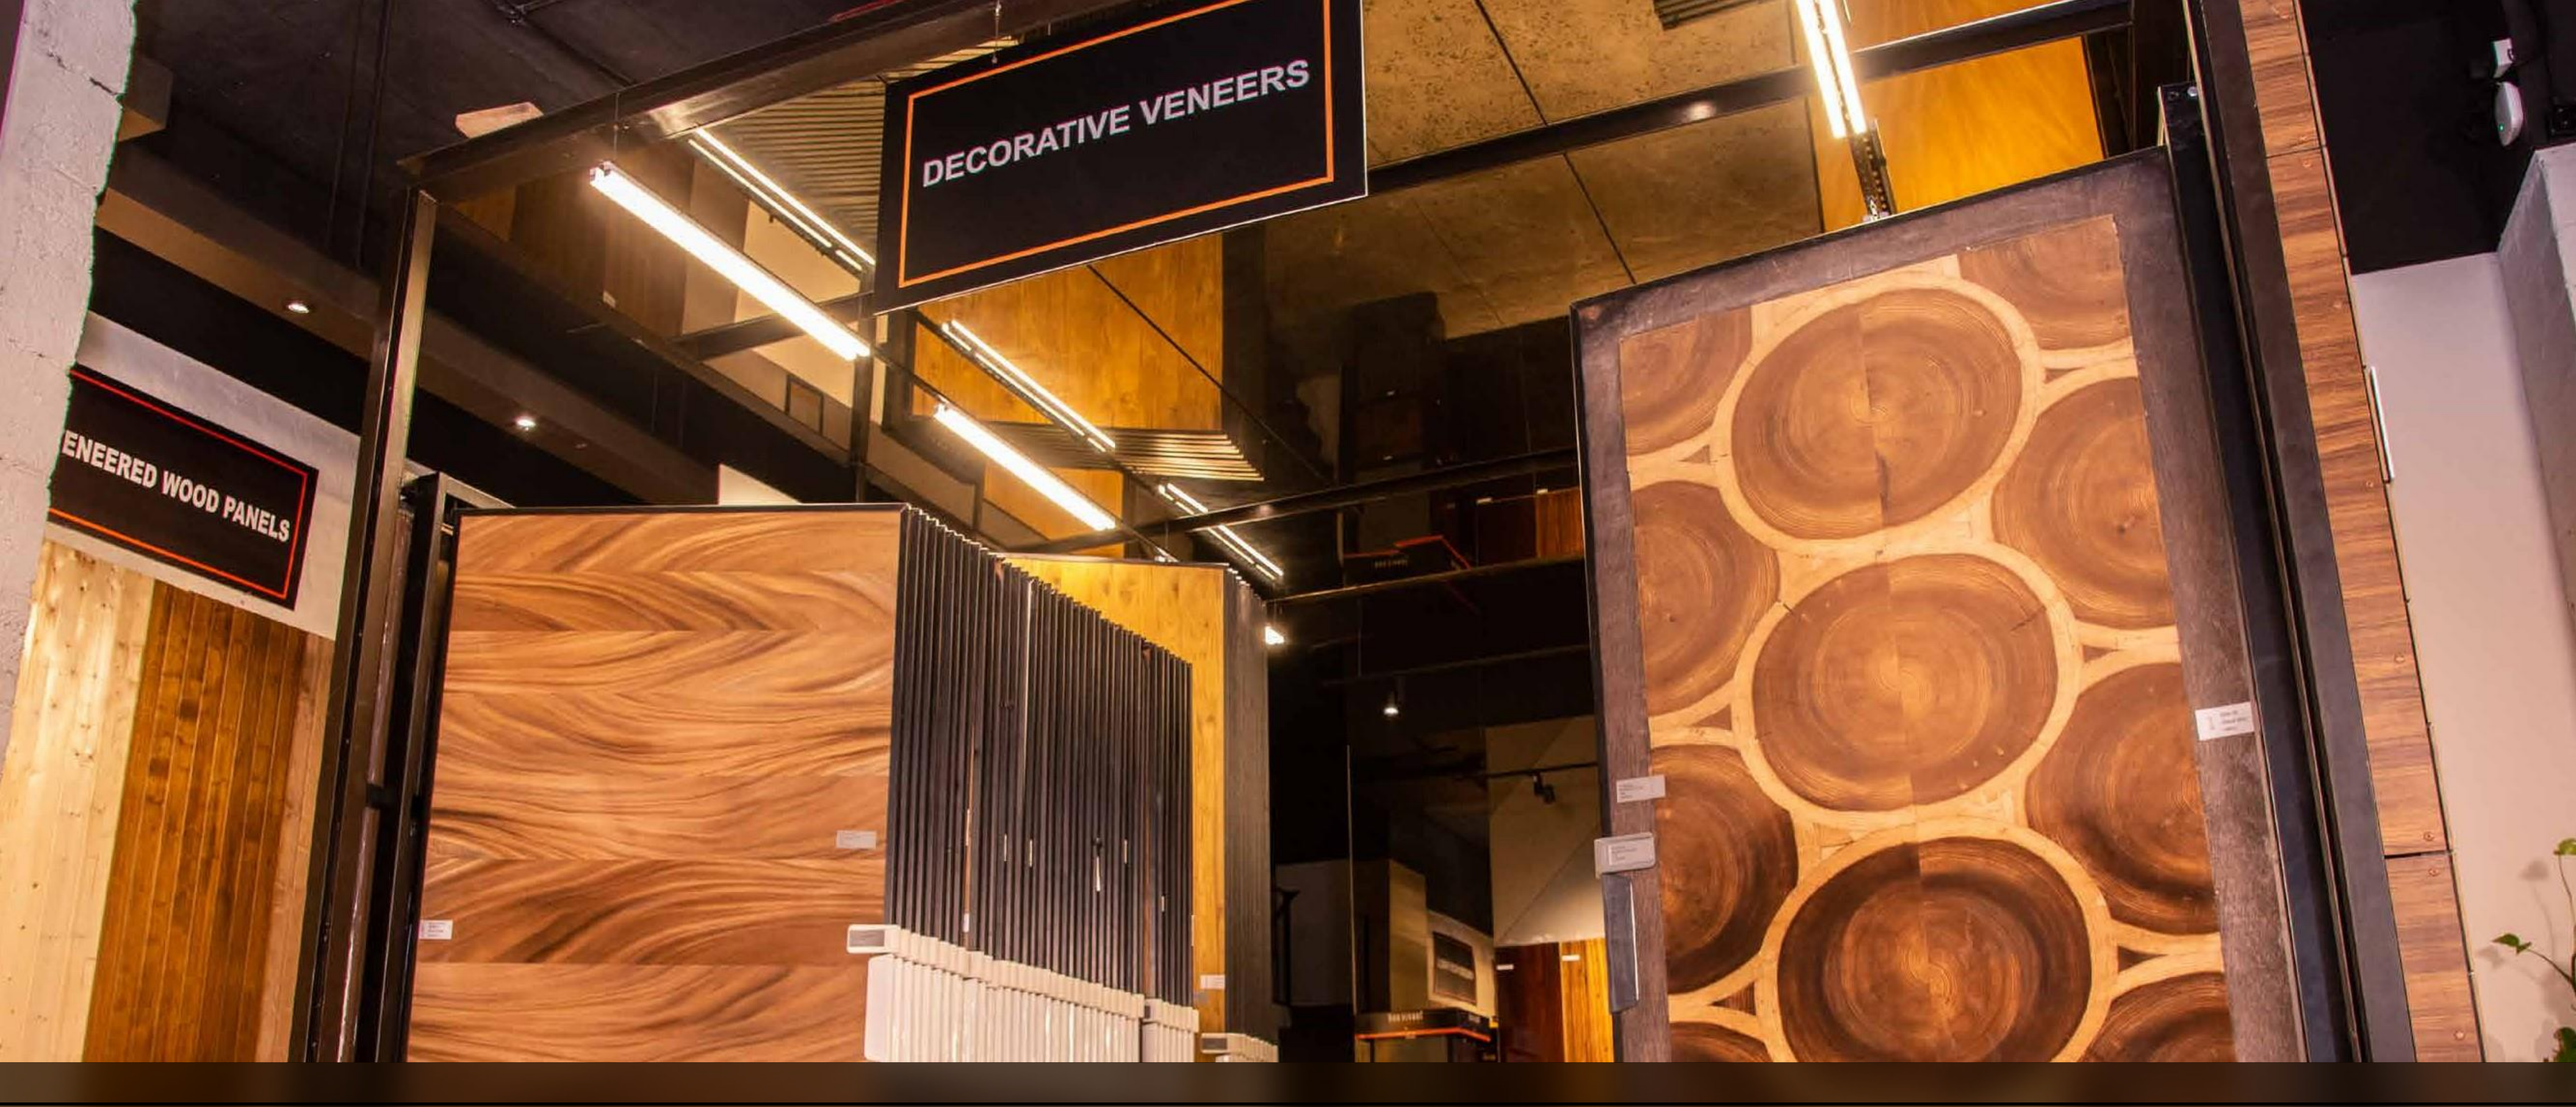
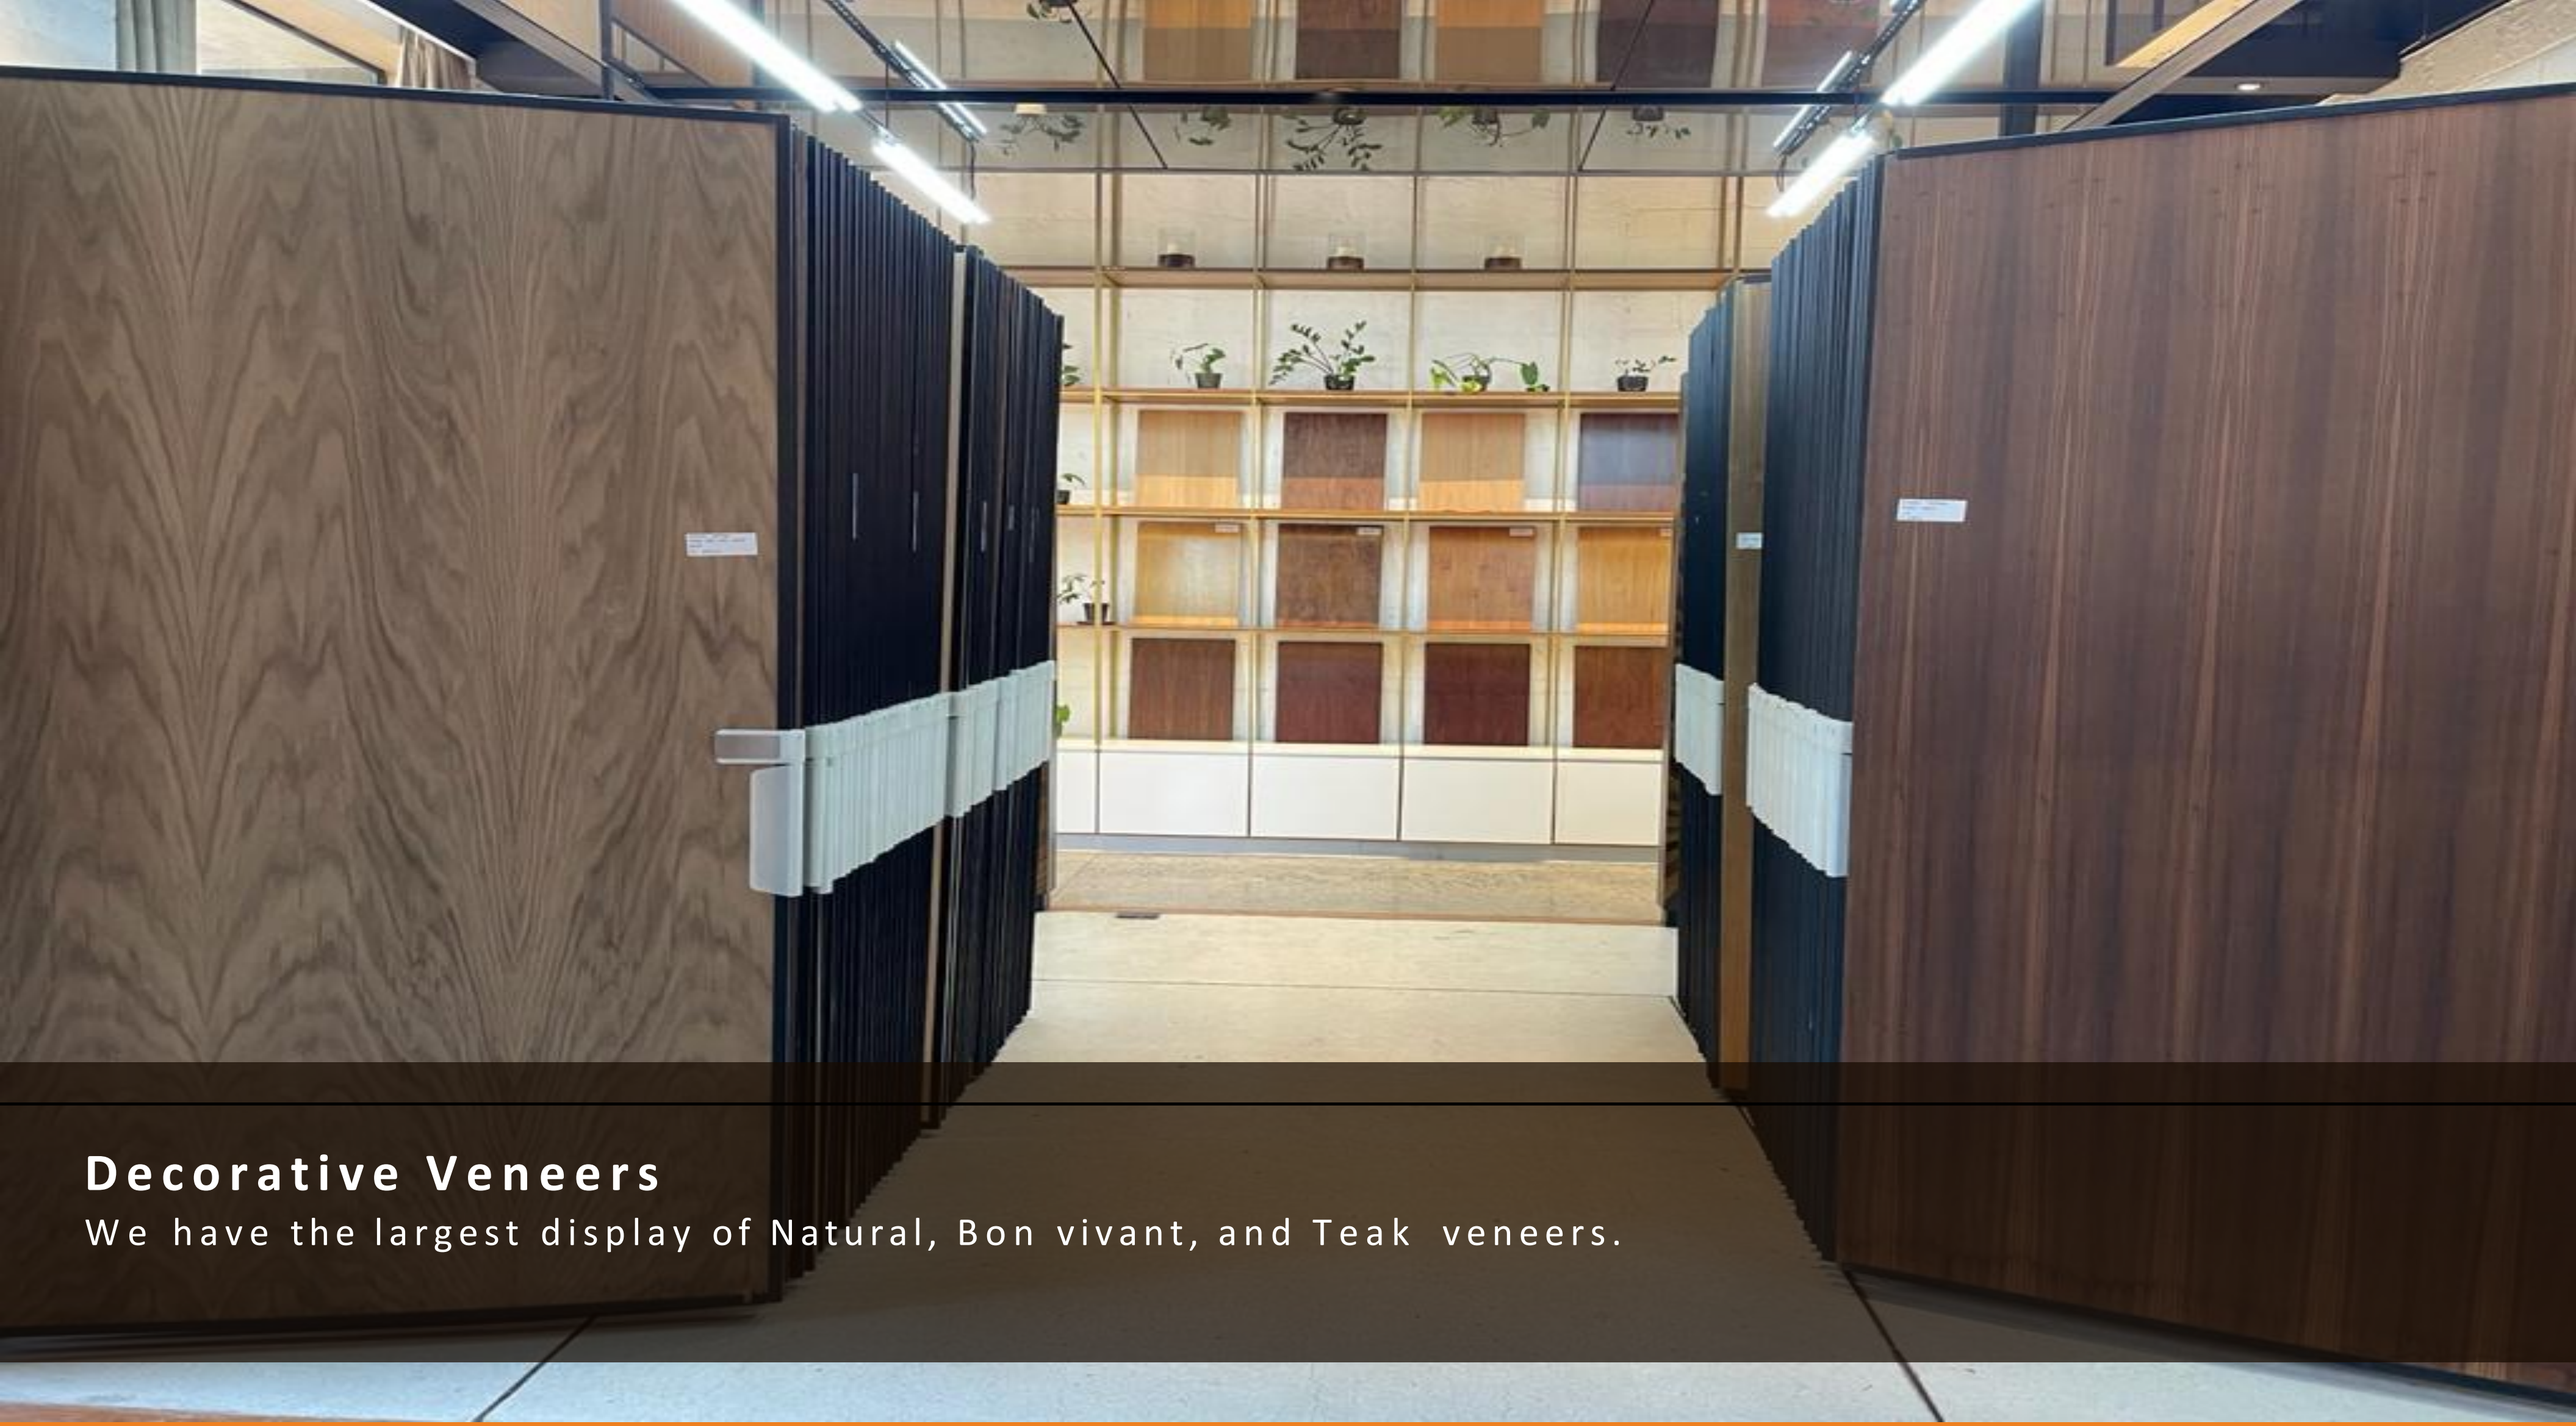
Visit South India’s largest veneers factory’s exclusive showroom at The Bon Vivant Collective —a unique concept showroom by Archidply Décor. The showroom serves as a one-stop destination for the finest veneers, plywood, wardrobes, kitchen shutters and wood panel products. That’s not all, each one of our creations promises superior design and style, giving you everything you need to create a stunning space!



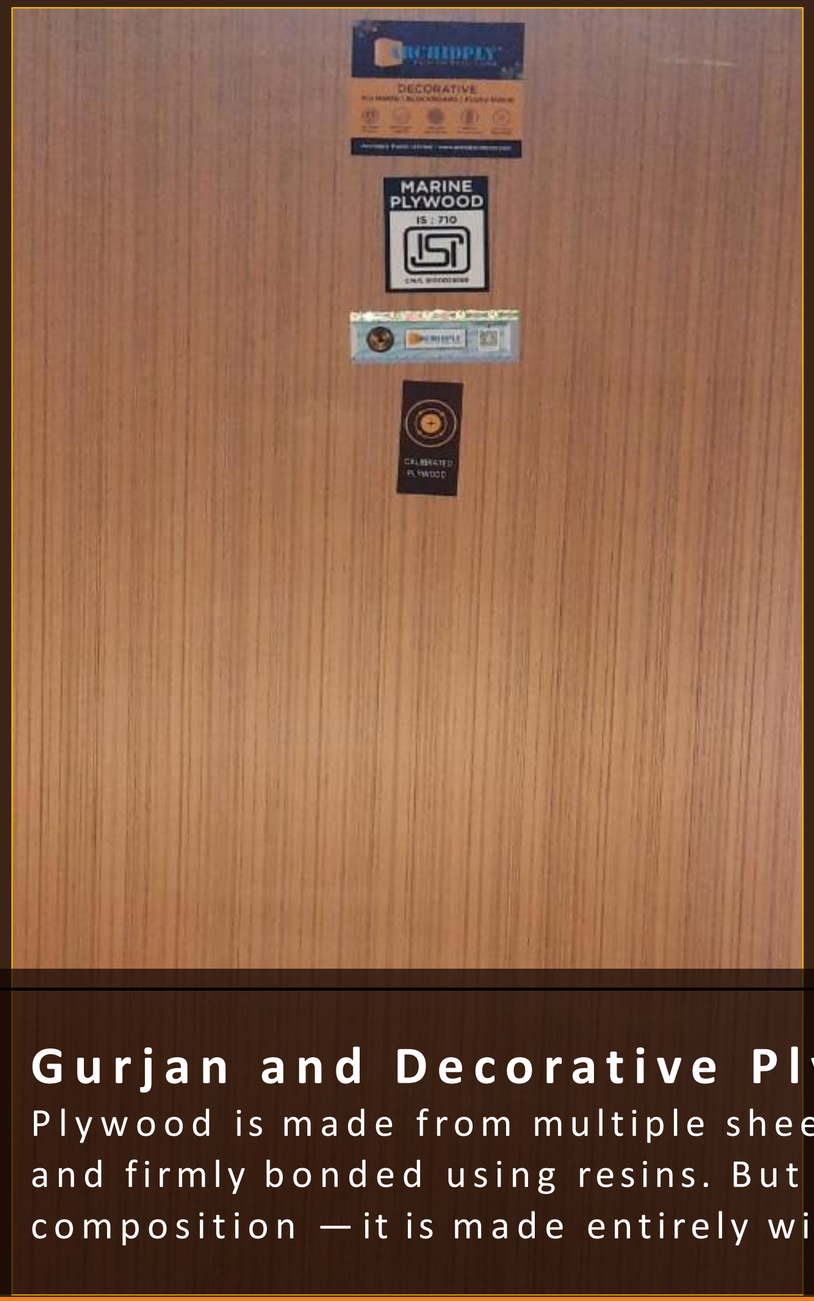
## Decorative Veneers

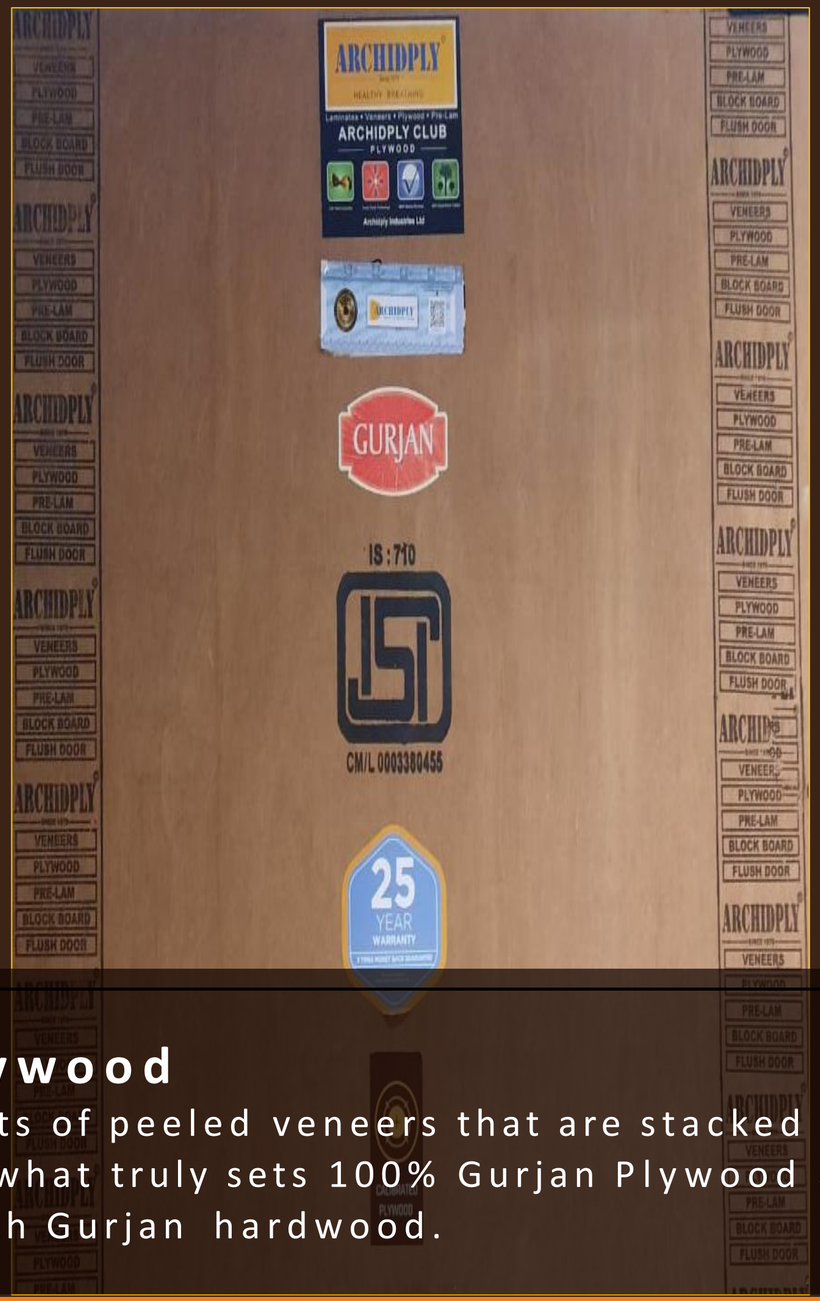
Our precise processes ensure that our Decorative Veneers are overlap-free, thereby guaranteeing a superior and seamless finish.

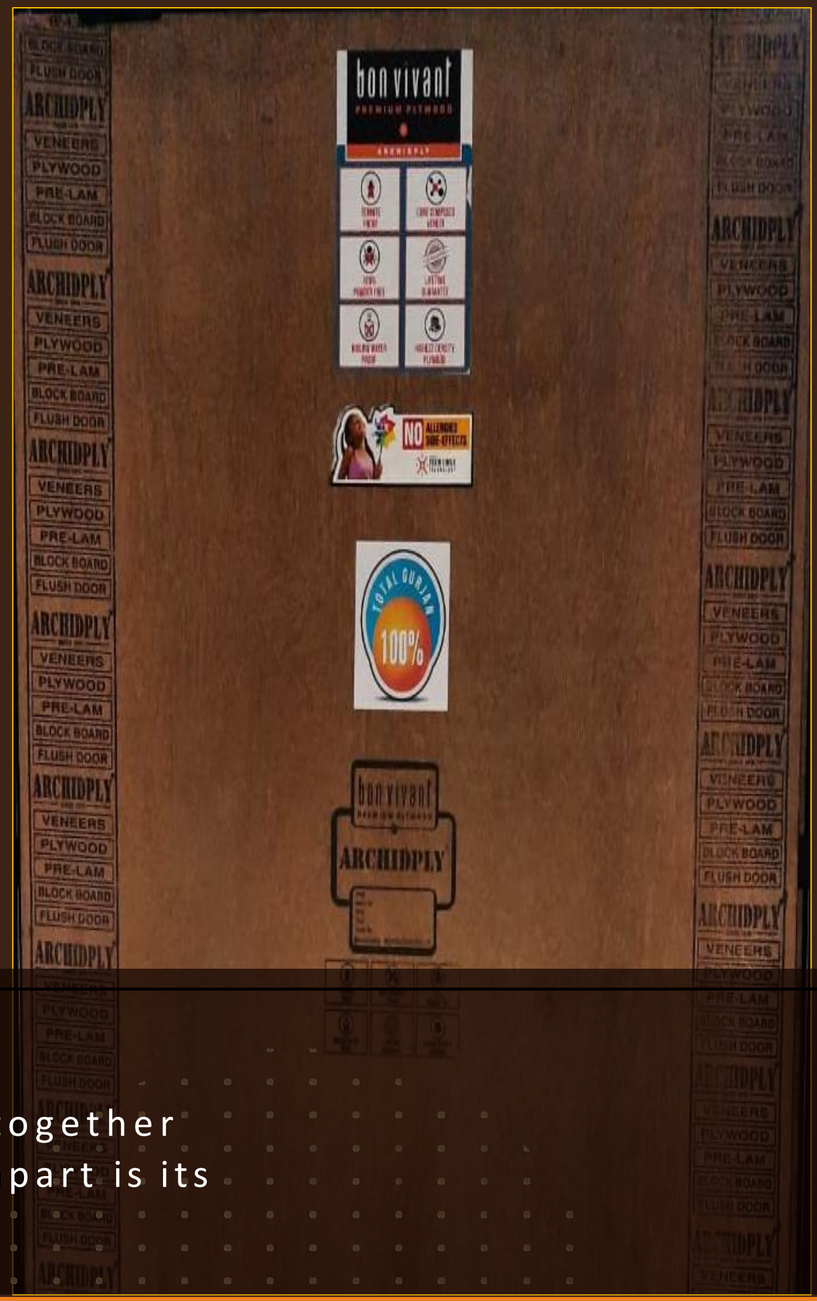


## Decorative Veneers

We have the largest display of Natural, Bon vivant, and Teak veneers.







## Gurjan and Decorative Plywood

Plywood is made from multiple sheets of peeled veneers that are stacked together and firmly bonded using resins. But what truly sets 100% Gurjan Plywood apart is its composition — it is made entirely with Gurjan hardwood.
